Body Art Program Blood Borne Pathogens Training Resources

BloodBorne Pathogens (BBP) Exposure Control Training which meets Cal/OSHA's BBP Standard 8 CCR 5193 and specified in California's H&S Code Safe Body Art Law Section 119307 is required for persons who may be exposed to BBP while performing their routine work functions. This includes, but not limited to: tattoo artists, permanent cosmetics professionals, and body piercers. Additionally, the training and training material must be specific to performing body art. BBP training contact time must meet a minimum of 2 hours. Training must be renewed annually. Records must be kept for a minimum of 3 years.

Yolo County Environmental Health does not approve specific BBP training providers at this time. BBP training providers that have been approved in other counties within California are considered to be approved in Yolo County. The following are providers which have been approved in other counties:
