Continuous Quality Improvement (CQI)

Committee is used to better monitor pre-hospital care provided in Yolo County as well as the necessary reviews, studies, and audits required to ensure that the CQI process is working effectively. Membership includes emergency physicians and nurses and pre-hospital care providers from each of the County's first responder agencies and ambulance providers (air and ground)

Physicians' Advisory Committee (PAC)

provides advice and recommendations to the EMS Agency and EMS Medical Director on medically related topics. Membership consists of base hospital coordinators, base hospitals physicians, representatives from invited ALS provider agencies.

**This meeting is not open to the public. Please contact to attend.*
