Online Cannabis Complaint Report

(Woodland, CA) – In efforts to promote and protect the health, safety and general welfare of our residents and businesses in Yolo County, an online tool has been created for reporting a complaint or activity in relation to the legal or illegal cultivation of cannabis.

The Yolo County Cannabis Taskforce Complaint Report includes reporting instructions and can be submitted anonymously. The information received will be reviewed by the Cannabis Task Force, researched and addressed in compliance with Yolo County's ordinance on the cultivation of marijuana and state regulations.

It is the recommendation of Yolo County for those filling out the form to provide as much information as possible to assist in the investigation. The complaint report can be located on the Yolo County website: www.yolocounty.org.
