In compliance with the provision of Section 2279 of the California Food and Agriculture Code, I am pleased to submit a report of the agricultural production of Yolo County for the calendar year of 1995. This report deals with the gross value of production and does not attempt to reflect net farm income nor costs of production and marketing. Also, due to rounding, yields and values may not total for the crops.

Data for the preparation of this report has been obtained from the producers, processors, representatives of agribusiness and individuals with special knowledge in the field. Their assistance and cooperation is sincerely appreciated.

Respectfully submitted,

Raymond J. Perkins  
Agricultural Commissioner
