Item 4. Approval of Minutes from June 25, 2018
Local Mental Health Board
Meeting Minutes
Monday, June 25, 2018, 7:00 – 9:00 PM
AFT Library, Community Conference Room
1212 Merkeley Ave., West Sacramento, CA 95691

Members Excused: Serena Durand, Don Saylor, Laurie Ferns

Staff Present: Samantha Fusselman, Deputy Mental Health Director and Manager of Quality Management Services, HHSA
Anna Sutton, Director, Public Health Nursing, HHSA
Iulia Bodeanu, Administrative Liaison to LMHB, CAO

CALL TO ORDER

1. Welcome and Introductions: The June 21, 2018 meeting of the Local Mental Health Board was called to order at 7:00 PM. Introductions were made.

2. Public Comment
Karen Larsen stated that the Community Health Assessment was released and that there is a need for a variety of participants in various ethnic groups, age ranges and backgrounds to participate in the survey.

3. Approval of Agenda
   Motion to approve: Nicki King Second: Robert Schelen Vote: Unanimous
   Abstentions: None

4. Approval of Minutes from May 21, 2018
   Discussion: In Mental Health Director’s Report under Governor’s revised in section E, remove the second “and”. Replace “do” with “be”. Language change regarding individuals to be dropped off at emergency rooms for clarity. Election of Officers change language to “one of the highlights of James’s life”. Requested edits made to the minutes.

   Motion to approve minutes with the intention to have edits implemented: Richard Bellows Second: Nicki King Vote: Unanimous Abstentions: Brad Anderson and Robert Schelen

5. Member Announcements: None

6. Correspondence: None
7. **Maternal Mental Health Presentation** by Anna Sutton, Director, Public Health Nursing, HHSA

---

**CONSENT AGENDA**

8. **Mental Health Director Report** by Karen Larsen, Mental Health Director, HHSA

   a. Continuum of Care Workgroup – Antonia Tsobanoudis and Ben Rose wanted to know more about the workgroup. Intercept Mapping of the criminal just system is a division of the process. Subcommittees for each of the intercepts were created. The steering committee identified gaps in the system and potential solutions and prioritized the gaps. This process reduced the number of mentally ill individuals in custody and divert those with mental health problems within the system.

   b. Governor’s 18/19 May Revise Budget – Antonia Tsobanoudis asked about the increase of funding within the Governor’s budget. The May revise resulted in additional revenue that now allows SSI recipients to receive Cal-Fresh benefits without affecting their income levels.

   c. County 18/19 Budget Staffing – Richard bellows asked a question about possible Avatar database funding. The county will hire a Central IT Manager and an IT Programmer/Analyst.

   e. Community Based Points of Specialty Mental Health Services – The 24-Hour Access Line is the entry point for the majority of services offered by the County.

   f. Yolo County Substance Use Disorder Continuum of Care – Nicki King asked how does this system work and if the availability of services is through referral. 24-hour access line is a new element. There are also sites that are available for assessments and screenings and clients are placed based on medical necessity. Transitional housing is not covered by Medi-Cal, but the remainder of the services on the map are, including residential treatment.

   j. Data – Richard Bellows asked for an update on data regarding the 2017 Consumer Perception Survey results. Increased returns for the surveys for the Spring and Fall. Dissatisfaction was around improved outcomes. Quality Management will provide a presentation on the outcomes of the Consumer Perception Survey at the August LMHB meeting.

---

**REGULAR AGENDA**

9. **Annual Report 17-18**

10. **Board of Supervisors Report** – Supervisor Don Saylor

    - None

11. **Chair Report** – James Glica Hernandez
• James Glica Hernandez went to LA to the CALBAC meeting, as part of their governing board. There was a presentation will include mental health and emergency preparedness procedures, post-trauma care and cultural competence.

**PLANNING AND ADJOURNMENT**

12. **Future Meeting Planning and Adjournment**: James Glica-Hernandez

- **Long Range Planning Calendar** Discussion and Review.

- **Next Meeting Date and Location** — August 27, 2018 from 7:00pm to 9:00pm at the Bauer Building, Thomson Conference Room, 137 N. Cottonwood St. Woodland, CA 95695.

  **Motion** to adjourn the meeting **First**: Richard Bellows **Second**: Nicki King **Vote**: Unanimous **Abstentions**: None. The meeting was adjourned at 8:59 PM.

<td><strong>AB 2043</strong></td>
<td>Arambula D</td>
<td>Foster children and youth: family urgent response system. <em>(Amended: 8/17/2018)</em> Current law, commonly known as Continuum of Care Reform (CCR), states the intent of the Legislature in adopting CCR to improve California’s child welfare system and its outcomes. This bill would make legislative findings and declarations, stating the intent of the Legislature in adopting this bill to build upon the current CCR implementation effort. The bill would require the State Department of Social Services to establish a statewide hotline, operational no later than January 1, 2020, as the entry point for a Family Urgent Response System, as defined, to respond to calls from caregivers or current or former foster children or youth when a crisis arises, as specified. <strong>Status:</strong> 8/21/2018 - VOTE: Assembly 3rd Reading AB2043 Arambula et al. </tbody>
</table>
Inclusive, to review, at minimum every 5th year, its policy on pupil suicide prevention and, if necessary, update its policy. By imposing additional duties on local educational agencies, the bill would impose a state-mandated local program.

**Status:** 8/20/2018 - Read second time. Ordered to third reading.

**Hearing:** 8/22/2018 #332 SENATE SEN THIRD READING FILE - ASM BILLS

### AB 2657 Weber D

**Pupil discipline: restraint and seclusion.** *(Amended: 8/17/2018)* Would authorize an educational provider, as defined, to use behavioral restraints, which includes physical and mechanical restraints, or seclusion, as defined, only to control behavior that poses a clear and present danger of serious physical harm to the pupil or others that cannot be immediately prevented by a response that is less restrictive, and if other specified conditions are met. The bill would prohibit an educational provider from using a behavioral restraint or seclusion in certain circumstances, including, but not limited to, using seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation, and would prohibit the use of certain restraint and seclusion techniques.

**Status:** 8/20/2018 - Read second time. Ordered to third reading.

**Hearing:** 8/22/2018 #334 SENATE SEN THIRD READING FILE - ASM BILLS

### AB 2691 Jones-Sawyer D

**Pupil health: pupil and school staff trauma: Trauma-Informed Schools Initiative.** *(Amended: 8/17/2018)* Would establish within the State Department of Education the Trauma-Informed Schools Initiative to address the impact of adverse childhood experiences on the educational outcomes of California pupils. The bill would require the department, if it determines appropriate funding is available, to take specified actions, on or before December 31, 2020, to implement the initiative, including developing and posting online an Internet Web site with information regarding the trauma-informed care approach, as defined, and a guide created by the department for public schools, including charter schools, on how to become trauma-informed schools, as defined.

**Status:** 8/20/2018 - Read second time. Ordered to third reading.

**Hearing:** 8/22/2018 #334 SENATE SEN THIRD READING FILE - ASM BILLS

### SB 918 Wiener D

**Homeless Youth Act of 2018.** *(Amended: 8/21/2018)* Current law establishes various programs, including, among others, the Emergency Housing and Assistance Program, homeless youth emergency service pilot projects, and Housing First and the Homeless Coordinating and Financing Council, to provide assistance to homeless persons. Current law establishes the council to oversee the implementation of the Housing First guidelines and regulations, and, among other things, identify resources, benefits, and services that can be accessed to prevent and end
homelessness in California. This bill would require the council to assume additional responsibilities, including setting specific, measurable goals aimed at preventing and ending homelessness among youth in the state and defining outcome measures and gathering data related to those goals.

**Status:** 8/21/2018 - Read second time and amended. Ordered to second reading. (Amended 8/21/2018) **Hearing:** 8/23/2018 #7 ASSEMBLY SECOND READING FILE -- SENATE BILLS

---

**SB 972**  
Portantino D  
Pupil and student health: identification cards: suicide prevention hotline telephone numbers. (Enrolled: 8/21/2018) Would require a public school, including a charter school, or a private school that serves pupils in any of grades 7 to 12, inclusive, that issues pupil identification cards to have printed on either side of the pupil identification cards the telephone number for a suicide prevention hotline or the Crisis Text Line, or both telephone numbers. The bill would require a public or private institution of higher education that issues student identification cards to have printed on either side of the student identification cards the telephone number for a suicide prevention hotline or the Crisis Text Line, or both telephone numbers, and would authorize the institution to have printed on either side of the student identification cards the campus police or security telephone number, or the local nonemergency telephone number, as provided.

**Status:** 8/20/2018 - Assembly amendments concurred in. (Ayes 36. Noes 0.) Ordered to engrossing and enrolling.

**Arambula D**

**Health care facilities: voluntary psychiatric care. (Amended: 7/2/2018)** Would prohibit a general acute care hospital or an acute psychiatric hospital from requiring a person who voluntarily seeks care to be in custody as a danger to himself or herself or others or gravely disabled as a condition of accepting a transfer of that person after his or her written consent for treatment and transfer is documented or in the absence of evidence of probable cause for detention, as defined. By creating a new crime, this bill would impose a state-mandated local program.

**Status:** 8/20/2018 - Senate amendments concurred in. To Engrossing and Enrolling.

**ACR 180**

**Waldron R**

**Maternal Mental Health Awareness Month. (Chaptered: 6/1/2018)** This measure would dedicate the month of May 2018 as Maternal Mental Health Awareness Month.

**Status:** 5/29/2018 - Chaptered by Secretary of State- Chapter 80, Statutes of 2018

**SB 1363**

**Moorlach R**

**Personal income taxes: voluntary contributions: National Alliance on Mental Illness California Voluntary Tax Contribution Fund. (Enrolled: 8/21/2018)** Would allow an individual to designate on his or her tax return that a specified amount in excess of his or her personal income tax liability be transferred to the National Alliance on Mental Illness California Voluntary Tax Contribution Fund, which would be created by this bill.

**Status:** 8/20/2018 - Assembly amendments concurred in. (Ayes 38. Noes 0.) Ordered to engrossing and enrolling.

Hearing: 8/23/2018 #181 ASSEMBLY THIRD READING FILE - SENATE BILLS
Item 7. HHSA Consumer Perception Survey Presentation
Yolo County Health & Human Services Agency (HHSA)

Preliminary Results: Fall 2017 Consumer Perception / Satisfaction Surveys

Results Provided by Yolo County HHSA Quality Management
Survey Background: General Information

- Offers consumers and family members a formalized opportunity to provide input/feedback on services
- Point-in-time “convenience sampling” methodology, with a defined survey period: 1 week in May + 1 week in November
- Four variations of the survey were distributed:
  - Adult (for ages 18-59)
  - Older Adult (for ages 60+)
  - Youth (for ages 13-17 and transition-age youth who still receive services in child system)
  - Family of Youth (for parents/caregivers of youth under age 18)
- State mandate to conduct the survey and submit data semi-annually
Survey Background: Domains

- Currently divided into 8 domains of consumer perception*
- Domains 1-7 contain 2 to 9 survey questions each, as defined by the state
- Domain 1-7 questions are measured on a 5-point Likert scale:
  - 1=Strongly Disagree, 2=Disagree, 4=Agree, 5=Strongly Agree, 3=Neutral / Undecided**
- Based on services received in the last 6 months

* Adult/Older Adult Surveys have an optional Quality of Life Domain
**Adult/Older Adult Surveys use “Neutral” and Youth/Family Surveys use “Undecided”
Results Overview

- Combined for all Behavioral Health Community Providers + HHSA Clinics
- Fall vs. Spring 2017 Comparisons: Surveys Counts, Demographics, Service Information, and Domain Summaries
- Fall 2017 Preliminary Results: Domains 1-7
  - Older Adult results combined with Adults due to small sample size
  - Youth and Family of Youth presented together for comparison
  - Analyses do not include Not Applicable (N/A) or missing responses*

  Note: These results are preliminary and subject to change.

*Information on N/A and missing data available upon request
In Fall and Spring 2017...

- Two-thirds of surveys returned with consumer responses (average ~375)
- Majority of surveys from community providers (~80%)
- Majority of surveys with responses are in English (~95%)
In Fall and Spring 2017...

- About two-thirds of respondents identified as White
- Slight increase in respondents who identified as Black and Asian
- Respondents of Hispanic Origin relatively stable (~42%)
- Nearly half of respondents were male, half were female
In Fall and Spring 2017...

- About two-thirds of respondents receiving services for less than one year
- Nearly half of respondents (46%) receiving services for less than 6 months
- Majority of respondents (96-98%) reported language accessibility with services (service delivery and written materials in preferred language)
Domain Results Summary: Adults & Older Adults

- Domain percentages very similar between Spring and Fall 2017
- Highest domain during both = General Satisfaction (Spring 87%, Fall 84% satisfaction)
- Lowest domain in Spring 2017 = perception of Functioning (73% satisfaction)
- Lowest domain in Fall 2017 = perception of Outcomes (70% satisfaction)
- In Fall 2017, over 80% satisfaction responses in three domains (General Satisfaction, Access, Service Quality / Appropriateness). Below 80% satisfaction responses in four domains (Participation in Treatment Planning, Outcomes, Functioning, Social Connectedness)*
  - *Very similar trend observed in Spring 2017, except Access domain was below 80% (78% satisfaction)
The following trends were observed in both Fall and Spring 2017:

- Family members (FM) of youth report higher satisfaction than youth (Y) across all domains except perceptions of **Outcomes / Functioning** (Fall: FM 62%, Y 65%)
- **Outcomes / Functioning** is the lowest domain overall for both FM and Y; has the highest percentage of undecided responses (Fall: FM 25%, Y 28%)
- Over 90% satisfaction responses from FM in all other domains
- Perception of **Service Cultural Sensitivity** is the highest domain overall for both FM and Y (Fall: FM 97%, Y 89%)
- Largest difference exists in the domain of **Participation in Treatment Planning**, with higher satisfaction from FM (Fall: FM 92%, Y 71%)
Fall 2017: Adults & Older Adults

**General Satisfaction**

- Strongly Agree: 2%
- Agree: 4%
- Strongly Disagree: 11%
- Disagree: 35%
- Neutral: 49%

On average:
- 84% of responses indicated general satisfaction with services
- 5% of responses indicated general dissatisfaction
- 11% of responses were neutral

Average score = 4.26

**Access**

- Strongly Agree: 4%
- Agree: 14%
- Strongly Disagree: 2%
- Disagree: 37%
- Neutral: 43%

On average:
- 81% of responses indicated satisfaction with access to services
- 6% of responses indicated dissatisfaction
- 14% of responses were neutral

Average score = 4.16
Service Quality / Appropriateness

- Strongly Agree
- Agree
- Strongly Disagree
- Disagree
- Neutral

On average:
- 82% of responses indicated satisfaction with the **quality and appropriateness of services**
- 3% of responses indicated dissatisfaction
- 15% of responses were neutral

Average score = 4.24

Participation in Treatment Planning

- Strongly Agree
- Agree
- Strongly Disagree
- Disagree
- Neutral

On average:
- 78% of responses indicated satisfaction with being involved in **treatment planning**.
- 6% of responses indicated dissatisfaction.
- 16% of responses were neutral.

Average score = 4.14
Fall 2017: Adults & Older Adults

Outcomes

- Strongly Agree: 35%
- Agree: 35%
- Strongly Disagree: 2%
- Disagree: 5%
- Neutral: 23%

On average:
- 70% of responses indicated improved outcomes
- 7% of responses indicated outcomes were not improved
- 23% of responses were neutral
Average score = 3.95

Functioning

- Strongly Agree: 21%
- Agree: 35%
- Strongly Disagree: 6%
- Disagree: 2%
- Neutral: 36%

On average:
- 72% of responses indicated improved functioning
- 8% of responses indicated functioning was not improved
- 21% of responses were neutral
Average score = 3.97
Social Connectedness

- Strongly Agree
- Agree
- Strongly Disagree
- Disagree
- Neutral

On average:
- 74% of responses indicated improved social connectedness
- 7% of responses indicated social connectedness was not improved
- 19% of responses were neutral

Average score = 4.03
Fall 2017: Youth & Family of Youth

**General Satisfaction**

- **Youth:**
  - Strongly Agree: 40%
  - Agree: 15%
  - Strongly Disagree: 2%
  - Disagree: 0%
  - Undecided: 15%

  On average:
  - 82% of responses indicated **general satisfaction** with services
  - 2% of responses indicated **general dissatisfaction**
  - 15% of responses were undecided

  Average score = 4.22

- **Family of Youth:**
  - Strongly Agree: 32%
  - Agree: 8%
  - Strongly Disagree: 0%
  - Disagree: 1%
  - Undecided: 59%

  On average:
  - 91% of responses indicated **general satisfaction** with services
  - 1% of responses indicated **general dissatisfaction**
  - 8% of responses were undecided

  Average score = 4.48
Fall 2017: Youth & Family of Youth

Access

Youth:

- **Strongly Agree**: 37%
- **Agree**: 41%
- **Strongly Disagree**: 14%
- **Disagree**: 8%
- **Undecided**: 0%

On average:
- 78% of responses indicated satisfaction with access to services
- 8% of responses indicated dissatisfaction
- 14% of responses were undecided
Average score = **4.08**

Family of Youth:

- **Strongly Agree**: 70%
- **Agree**: 28%
- **Strongly Disagree**: 2%
- **Disagree**: 1%
- **Undecided**: 0%

On average:
- 98% of responses indicated satisfaction with access to services
- 2% of responses indicated dissatisfaction
- 1% of responses were undecided
Average score = **4.66**
Fall 2017: Youth & Family of Youth

Service Cultural Sensitivity

- Strongly Agree
- Agree
- Strongly Disagree
- Disagree
- Undecided

Youth:

- 42% Strongly Agree
- 47% Agree
- 11% Strongly Disagree
- 0% Disagree
- 0% Undecided

On average:
- 89% of responses indicated satisfaction with the cultural sensitivity of services
- 0% of responses indicated dissatisfaction
- 11% of responses were undecided

Average score = 4.32

Family of Youth:

- 24% Strongly Agree
- 73% Agree
- 3% Strongly Disagree
- 0% Disagree
- 0% Undecided

On average:
- 97% of responses indicated satisfaction with the cultural sensitivity of services
- 0% of responses indicated dissatisfaction
- 3% of responses were undecided

Average score = 4.70
Participation in Treatment Planning

Youth:

- **27%** Strongly Agree
- **20%** Agree
- **8%** Strongly Disagree
- **2%** Disagree
- **1%** Undecided

On average:
- **71%** of responses indicated satisfaction with being involved in treatment planning
- **10%** of responses indicated dissatisfaction
- **20%** of responses were undecided

Average score = 3.87

Family of Youth:

- **51%** Strongly Agree
- **41%** Agree
- **2%** Strongly Disagree
- **3%** Disagree
- **3%** Undecided

On average:
- **92%** of responses indicated satisfaction with being involved in the youth’s treatment planning
- **4%** of responses indicated dissatisfaction
- **3%** of responses were undecided

Average score = 4.37
Fall 2017: Youth & Family of Youth

Outcomes / Functioning

Youth:
- Strongly Agree: 28%
- Agree: 13%
- Strongly Disagree: 6%
- Disagree: 2%
- Undecided: 52%

On average:
- 65% of responses indicated improved outcomes / functioning
- 8% of responses indicated outcomes / functioning were not improved
- 28% of responses were undecided
Average score = 3.68

Family of Youth:
- Strongly Agree: 25%
- Agree: 24%
- Strongly Disagree: 12%
- Disagree: 1%
- Undecided: 37%

On average:
- 62% of responses indicated improved outcomes / functioning of youth
- 13% of responses indicated outcomes / functioning of youth was not improved
- 25% of responses were undecided
Average score = 3.72
Social Connectedness

- Strongly Agree
- Agree
- Strongly Disagree
- Disagree
- Undecided

**Youth:**
- 26% Strongly Agree
- 15% Agree
- 5% Strongly Disagree
- 2% Disagree
- 5% Undecided

On average:
- 79% of responses indicated improved social connectedness
- 6% of responses indicated social connectedness was not improved
- 15% of responses were undecided
Average score = 3.99

**Family of Youth:**
- 47% Strongly Agree
- 44% Agree
- 7% Strongly Disagree
- 2% Disagree
- 1% Undecided

On average:
- 91% of responses indicated improved social connectedness
- 3% of responses indicated social connectedness was not improved
- 7% of responses were undecided
Average score = 4.34
How Domain Results Were Calculated

In order to obtain the percentages reported for each Domain, the average of the percentages for the questions that make up that Domain was taken.

EXAMPLE: Three questions make up Domain 1 (General Satisfaction), for Adults:

1. I like the services that I receive here (n=248)
   - 91% of clients reported either "agree" or "strongly agree"
   - 2% of clients reported either "disagree" or "strongly disagree"
   - 8% of clients reported "I am neutral"

2. If I had other choices, I would still get services from this agency (n=244)
   - 81% of clients reported either "agree" or "strongly agree"
   - 5% of clients reported either "disagree" or "strongly disagree"
   - 15% of clients reported "I am neutral"

3. I would recommend this agency to a friend or family member (n=244)
   - 88% of clients reported either "agree" or "strongly agree"
   - 2% of clients reported either "disagree" or "strongly disagree"
   - 10% of clients reported "I am neutral"

Average of 91%, 81%, and 88% = 87% (general satisfaction responses)
Average of 2%, 5%, and 2% = 3% (general dissatisfaction responses)
Average of 8%, 15%, and 10% = 11% (neutral responses)

Note: This sample data is not reflective of the results in this presentation. Reminder: Analyses do not include N/A or Missing Responses.

HHSAQualityManagement@yolocounty.org
Item 8. Mental Health Director’s Report
Community Health Branch Director - HHSA is excited to announce that after several months of recruitment we have hired a new Community Health Branch Director. Brian Vaughn joined the team on June 25. Prior to joining our team, Brian had a unique mix of education and experience in community-based health improvement work and high-level systems transformation within the public health world. Most recently, Brian worked at the Sonoma County Department of Health Services as the Director of Health Policy, Planning and Evaluation since 2013. In this role, Brian led his department through a process to develop its strategic plan and developed and implemented strategies to connect services across the county to improve both outcomes and resource efficiencies. Brian also worked as a Health Program Manager at First 5 Sonoma and as the Director of Healthy Start Brooklyn. Brian spent two years in the Peace Corps in Nicaragua, where he worked with a rural and isolated indigenous population to develop early childhood programs in their village.

Brian completed a Local Governance Summer Institute through Stanford University in 2016, received his Master of Public Health from Johns Hopkins School of Public Health in 2007, and completed his Bachelor of Arts in Sociology from University of California, San Diego in 2001. Brian is bilingual in Spanish (and proficient in Miskitu, the language of an indigenous group in Central America). Please join me in giving Brian a warm welcome! Staff contact: Karen Larsen

Substance Use Disorder Continuum - Yolo County officially implemented the new Drug Medi-Cal Organized Delivery System Waiver on July 1st, radically changing the way clients are engaged to enter substance use treatment services while greatly increasing the available services. HHSA, CommuniCare Health Centers, and Heritage Oaks Hospital staff are all playing a role in accessing these needed services.

Leading up to the implementation on July 1st, HHSA staff or contracted trainers held 7 trainings in May and June to support the entire system including training on our electronic health record, fiscal training to claim for services, evidence based practices, and more! Since July 1st, we have held 3 trainings with access point staff and have at least 4 more trainings scheduled through the end of the calendar year.

We are also hosting bi-weekly internal meetings to problem solve issues raised by our access points and substance use provider staff, as well as, monthly provider meetings with all substance use providers and bi-weekly meetings with all access point staff. In addition, HHSA is working on developing policies and procedures, frequently asked questions (FAQs) documents, and posting these along with our provider forms on our external facing website to improve clarity and accessibility of these documents for our providers. Staff Contact: Ian Evans

Children’s Mental Health Services - FY 18/19 contracts for EPSDT specialty mental health services will begin September 1st. Contract providers include CommuniCare, Stanford Youth Solutions, Turning Point Community Programs and Victor Youth Services. Programs will provide necessary services to assist children in maintaining home placements, improving safety and wellbeing, and addressing impairments related to their behavioral health issues. RISE rural school-based Prevention Early Intervention(PEI) program will be increased in order to serve additional rural communities such as Knights Landing, Clarksburg and Dunnigan. Help Me Grow’s PEI program will be increased in order to provide maternal mental health screenings and services. Staff Contact: Kim Narvaez
West Sacramento 2x2 - On July 25th, HHSA hosted the West Sacramento 2x2 at our offices in West Sacramento. A 2x2 is a regularly scheduled meeting between County Supervisors and City Council members aimed at addressing shared interests. This 2x2 included myself and many of my staff. We shared about County services and gave a tour of both buildings. Council members Orozco and Sandeen were very appreciative and will be suggesting that other council members receive similar tours/overviews. The new City Manager, Aaron Laurel was also in attendance.

Hospital partnerships - We are working closely with the hospitals to develop a clear understanding of our system from transport and entry into the hospital to admittance and through discharge to the community. We are specifically trying to address any gaps for those experiencing homelessness who are medically fragile.

California Behavioral Health Directors Association(CBHDA) - CBHDA’s Executive Director resigned in June and the association is seeking a new leader. Karen has been chosen to be on recruitment/hiring committee. We are distributing recruitment wide and far, have brought in a recruiter, and raised the salary significantly.

Public Guardian/Adult Protective Services - On August 20th, the Public Guardian’s office moved from the County Administration building into HHSA’s Gonzalez building. This will allow staff to have access to additional administrative supports and to be co-located with other staff serving similar populations of clients. We have also decided to integrate Public Guardian and Adult Protective Services, with management oversight provided by Laurie Haas. Oftentimes these teams overlap during investigations and referrals from APS to Public Guardian and we see this integration as furthering the work of both teams and improving the care for our probate and LPS conservatees. Staff Contact: Laurie Haas

Pine Tree Gardens - Since our last LMHB meeting, HHSA has met with TPCP as well as Supervisors Saylor and Provenza. All partners continue to strive to find a way to make the PTG houses sustainable.

Continuum of Care - The continuum of care steering committee and the community corrections partnership(CCP) continue to work toward addressing all gaps/solutions identified through the Stepping up Intercept Mapping process. We have formed a group focused on applying for grants and are working with CCP to align County Strategic Plan and CCP Strategic Plan initiatives.

Beamer Street Housing - The Beamer Street housing development has been completed. We are awaiting PG&E to hook up the gas and final sign offs for occupancy. Unfortunately, due to the fires, PG&E may take some time to get to us and it will most likely be October before residents can move in. We will make sure you receive the ribbon cutting date.
Psychiatry Services - Dr. Clare Maxwell, who joined us as a Locum Tenem Psychiatrist for the past 9 months will have her last day with us on August 29th. The county is finalizing its CURES Policy (Controlled Substance Utilization Review and Evaluation System), which will go into effect October 1, 2018. Doctors and team are required to check the CURES 2.0 Database whenever initiating a prescription for a controlled substance and every 3 months during the maintenance phase.

Mental Health Services Act - Kellymarie Chen, our MHSA Analyst, accepted a new position within the Community Health Branch of Yolo County Health and Human Services and began her new position on July 23. We are excited for her as she embarks on this new journey, and look forward the opportunity this presents for further integration of our Mental Health Services Act across our branches.

We are excited to announce our upcoming community planning meetings to kick off this year’s Annual Update to the MHSA Three-Year Plan. These initial meetings will take place across two days, throughout Yolo County. Please join us at one of the following!

**September 5, 2018**

- 1:00 – 2:30 pm
  Arthur Turner Library
  *1212 Merkley Ave., West Sacramento*
- 3:30 – 5:00 pm
  Empower Yolo: Knights Landing Family Resource Center
  *9586 Mill Street, Knights Landing*
- 6:00 – 7:30 pm, RISE
  *17317 Fremont Street, Esparto*

**September 6, 2018**

- 10:30 am – 12:00 pm Redwood Building
  *111 Anderson Road, DAVIS*
- 1:00 pm – 2:30 pm
  HHSA Community Room/Gonzales Building
  *25. North Cottonwood Street,, Woodland*
Item 12. 2019 Meeting Calendar
Item 13. Annual Report
Local Mental Health Board 2017-2018 Annual Report

Membership and Duties

In the last twelve months since the last report to the Yolo County Board of Supervisors (BOS) from the Yolo County Local Mental Health Board (LMHB), there has been some turnover experienced by the Board. In 2018 we have added three new board members, Antonia Tsobanoudis, Serena Durand, and Ben Rose. Our executive leadership is comprised of Chair James Glica-Hernandez, Vice-Chair Nicki King and Secretary/Treasurer Reed Walker.

A roster of our current members is below:

The dedicated and talented members of the LMHB deeply consider all issues brought before them. And engage in topics of discussion ranging from the selection of the appropriate name of the advisory body, to hearing the concerns of the public regarding mental health services and making recommendations to the Health and Human Services Agency (HHSA). The LMHB is concerned with reaching and addressing the concerns of our diverse county from the rural to the urban centers within Yolo County.

Presentations

The LMHB continues to provide review and recommendations to the Health and Human Services Agency (HHSA). LMHB members have received presentations from various HHSA department heads and receive ongoing education on the many areas of service which fall under the HHSA umbrella. LMHB members have heard presentations about West Sacramento’s Crisis Center and the 5150 Process. The West Sacramento Community has been a particular focus for the LMHB members, as the board has noticed there is a need for increased services to this population. The LMHB has also heard presentations on the homeless population in Yolo County and HHSA’s
ongoing efforts to providing housing and support services for homeless individuals. The LMHB has also received presentations on Substance Use Disorder, Children’s Services and particularly how HHSA and the Yolo County courts work together to protect the most vulnerable in Yolo County, children. Additionally, the LMHB received its yearly budget update that demonstrates how HHSA provides mental health services in a fiscally responsible manner. As an advisory body, the LMHB strives to increase their knowledge and collaboration with the various departments and HHSA departments, with an ongoing focus on Substance Use Disorder, the Public Guardian’s Office, Child Youth and Family Services and Homeless Services.

Site Visits

LMHB members have also been working on organizing site visits to various mental health facilities and other programs throughout Yolo County. Members want to make sure they are not an isolated, but truly reaching out to people to hear their concerns. After identifying the needs of the community, the board will be able to better petition for individuals receiving mental health services and improve the systems and quality of care they receive, improving their overall quality of life. Board members feel strongly that visiting sites is of the utmost importance and it is their responsibility to reach out to the community in this manner. Planning for site visits began this year and will be an ongoing way for the LMHB to connect with the community.

Wellness Centers

The LMHB was also excited to hear presentations on the new Wellness Center in Davis with a focus on serving Transition Age Youth (TAY) and expand adult mental health services to the Davis population. Members of the LMHB were also present for the opening of the StayWell center at Woodland Community College, which serves a wide range of individuals. Supporting the ongoing efforts of local mental health agencies the members of the LMHB are proponents of wrap around services that look to multiple systems of care to deliver services and address the needs of whole person care by engaging in partnerships with various local organizations. A major need within the community is adequate housing for Yolo County residents receiving services. LMHB members are working to discuss various models and solutions that strive to improve the quality of life for vulnerable populations within our community. The LMHB is also reaching out to rural communities to engage them in discussions by holding meetings in cities such as Winters in May. Yolo County is also in the process of building a supportive housing model in Woodland with Mental Health Services Act Funding.

Crisis Intervention Program

The LMHB also heavily engaged in reviewing alternatives to avoid the termination of a highly valued program due to the termination of a grant funding cycle of the Crisis Intervention Program (CIP) which was a new venture for Yolo County and was heralded by not only by mental health clients, but also by law enforcement and clinical staff. Public commentary lamented the loss of the CIP Program and prompted conversation in ways to reconstruct the CIP program utilizing other funding sources to ensure the longevity of this necessary program. Fortunately, the Crisis
Intervention Program was reconstituted as the Mobile Crisis Unit within HHSA.

Trainings and Ongoing Education

In the interest of providing ongoing education of the board, the new members of the board completed ethics training, as required by California law (AB 1234, Chapter 700, Stats. Of 2005). This year it was a great honor to have the LMHB Chair, James Glica-Hernandez, elected to the California Association of Local Behavioral Health Board and Commissions (CALBHBC). Also in partnership with the CALBHBC, the LMHB submitted to the Data Notebook report, which focused on the older adult population. Data analysis has been at the forefront of the board’s goals and decision making process. Data has therefore become an integrated piece of each meeting and continues to be an essential decision making tool for board members.

Upcoming Challenges and Activities

One of the LMHB’s greatest upcoming challenge is how to help Pine Tree Gardens remain a viable community-based residential program. Pine Tree Gardens was originally created by the mental health pioneers, Pat and Bill Williams. Pine Tree Gardens has a long history in Davis and is an essential housing resource for the community. It came to the board’s attention that Pine Tree Gardens entered into a difficult financial situation and the operators of the facility have met with the LMHB’s Pine Tree Garden’s Ad-Hoc Committee to discuss possible solutions to their operational difficulties. This challenging issue has brought all parties to the table, including Pine Tree Gardens staff and leadership, HHSA’s director and branch directors and LMHB members in an attempt to preserve this community resource.

Looking forward to 2018, the LMHB would like to increase outreach to the community, create more accessibility to services for unserved or underserved communities, such as Spanish and Russian speakers, the LGBTQ community, and undocumented individuals who have limited access to services. In the coming year we also anticipate increased focus on working with law enforcement, transportation services for clients, newly opened Wellness Centers and continuing to expand on the “no wrong door” model which means that no matter where a client enters the system, they are connected to the multitude of services that the integrated Health and Human Services system has to offer to provide the highest level of care for members in our community receiving mental health and medical services.

Summary

With the addition of our new board members, we want to continue to build on our success and support HHSA in their goals. We are also building on our community engagement as we continue to reach out and listen to the needs of our clients and staff on the issues that affect them directly. The LMHB continues to strive to be a voice and a means of action for those receiving mental health services in Yolo County. The LMHB looks forward to another year of challenges and discussions with a very insightful and talented group of individuals. LMHB members care deeply and strive to serve those who need a voice in the field of mental/behavioral health.

## Member Bios

### James Glica-Hernandez – District 3

On the board since 2013, James is someone with lived experience with mental illness. In addition to being the chair of LMHB for the last three years, he also was elected to the Governing Board of the California Association of Local Behavioral Health Boards and Commissions. He was the coordinator for NAMI’s Connection program Yolo County and on the Executive Committee of the Sacramento National Mental Health Association (known as Mental Health America) in the 1980s as Education Chair.

### Ben Rose – District 4

### Robert (Bob) Schelen – District 4

### Ajay Singh – District 4
Member Bios

Brad Anderson – District 5

Brad grew up in Grass Valley, CA. His father and mother owned a health food store where he helped at a young age. He earned a degree in Comparative Literature at UCD. In his early twenties he was diagnosed with Paranoid Schizophrenia and Unipolar Depression. For the past 12 years he managed the coffee kiosk Cool Beans where he teaches social skills to others with mental illnesses, along with a strong work ethic. Bard has been on the LMHB for over five years.

Reed Walker – District 5

Reed Walker is currently a Social Worker at the VA, working with homeless Veterans in a supported housing program. She has been a Social Worker since 2004, and received her Master’s Degree from the University of Texas at Arlington. She lives in Woodland.
