

Name Change!

2016-17

Revised Vision Statement!

Yolo County Maternal Mental Health Collaborative Report

VISION: Promote optimal wellness for all mothers in Yolo County so they and their families can thrive.

MISSION: Collaborate to promote, develop, and maintain a system of care for all mothers in Yolo County at risk for and experiencing a maternal mental health condition.

Goal #1: Assure maternal mental health resource information is easy to access by all community members
