### Notes
1. These assumptions are for purposes of the EIR analysis. The Board retains the ability to decide whether to include these limits as part of the ordinance.
2. Except for Personal Use
3. Yolo County Code Section 5-20.05(A)(1) — Outdoors within 1,000 feet of a youth-oriented facility, a school, a school bus stop, a park, a church, a residential treatment facility or federal lands held in trust by the federal government, or that is the subject of a trust application, for a federally recognized tribal government.
4. Yolo County Code Section 5-20.05(A)(2) — Outdoors within seventy-five (75) feet of any occupied residence located on a separate parcel.
5. Except Special Events
6. Assumes 600-foot buffer from schools, day cares, and youth centers required by State (CDFA Emergency Regulations, Section B102(w)).
7. The Board of Supervisors will examine all five alternatives and may choose one of the five alternatives or a combination. No position on the contents of the final ordinance should be assumed from the choice of Alternative 1 as the preferred alternative. (BOS Meeting, April 24, 2018)
