

Yolo County Recycler

sacramentovalley.wm.com

Volume 5 | Issue 4

Winter | 2018-19

Calendars Enclosed; Vouchers Arrive In February

Your 2019 Collection Calendar is included. Your yearly voucher to drop off bulky waste for free at the Yolo County landfill will arrive as a postcard in February.

The calendar only shows six months because Yolo County is currently working on updating waste collection services in your area. Once those updates are complete, we'll send out a new calendar covering the entire year. That should arrive sometime in the summer. Thanks for your patience!

Holiday Season Recycling Tips

Holiday Trees - You can drop off two holiday trees for free at the Yolo County landfill. Free disposal of trees is offered between December 26 and the end of January. Trees must be free of all ornaments, flocking, tinsel, garland, lights and metal stands. All trees will be recycled and used as mulch or compost!

General Holiday Tips - Did you know that Americans throw away 25 percent more trash during the holiday season than at any other time of the year? That amounts to about 25 million tons of extra waste headed to landfills every holiday season! We can change that by recycling right during the holidays. Can you guess where the following materials belong? (These are some of the most common materials placed in the wrong cart.)

A) Paper Gift Bag B) Foil Gift Wrap C) Broken String of Lights D) Bubble Wrap and Packaging Air Bags E) Tissue Paper and Paper Gift Wrap

A. Recycling B. Trash C. Recycling D. Trash E. Recycling

UPDATED PRICE Recycling Service Available In Your Area!

Did you know that ALL Waste Management customers have access to recycling service at their property?

No matter where you live in Yolo County, if you have trash service with Waste Management, you are eligible for recycling service too!

A 96 gallon recycling cart will cost \$15.93 a month and will be serviced every other week. (The previous newsletter listed the commercial customer rate.)

Call customer service at (530) 662-8748 to sign up for recycling.
