FY 2019 Continuum of Care (CoC) Competition

Project Reallocation, Ranking, and Selection Process

Adopted 8/2/2019

PROJECT SELECTION SUBCOMMITTEE

During the FY 2019 CoC competition HPAC will establish an objective Project Selection Subcommittee to develop a recommendation regarding which project applications should be sent to HUD for funding in the FY2019 CoC competition. The Subcommittee will include:

- Representatives from non-conflicted CoC member agencies and stakeholders
- A minimum of 5 members, maximum of 10 members
- Membership representing both public and private agencies
- Membership representing all geographic areas within the HPAC jurisdiction
- No more than one representative from each member agency

The County Homeless Services Team will act as staff to committee, but will not participate in ranking or voting.

PROJECT REALLOCATION, RANKING, AND SELECTION PROCEDURE

SUBMISSION OF PROJECT APPLICATIONS

All project applications must be submitted in [e-snaps](#) by **August 22, 2019 at 11:59pm**.

- Applications received late, but within 8 hours of the due date/time will receive a 5-point score reduction.
- Projects received after 7:59am on 8/23/18 may receive an additional point reduction, to be determined by the Project Selection Subcommittee.
- It is recommended that applicants take a screenshot of their Submissions List and Project Summaries after submitting. In the event that the e-snaps system has issues, this can be used as evidence that the project was submitted on-time.
- If an applicant is having issues with submitting the application in e-snaps by the deadline due to system error they may submit a PDF version of the application, along with evidence that the e-snaps system was not working.

For renewal projects, the Annual Performance Report (APR) from the Homeless Management Information System (HMIS) should be submitted directly to the Homeless Services Team at Emily.Meza@yolocounty.org by **August 22, 2019 at 11:59pm**. Victim service providers should submit APR data from a comparable database to HMIS.

In addition to the application in e-snaps, project applicants may submit a supplementary response (no longer than 5 pages) directly to the Homeless Services Team at Emily.Meza@yolocounty.org, to address any areas where they believe members of the Project Selection Subcommittee may require additional information or explanations. These responses will be distributed to Subcommittee members along with the project applications. Project applicants may also participate in a brief in-person interview with the Project Selection Subcommittee prior to their cumulative ranking process to answer questions and address any areas of concern.

PREPARATION FOR REVIEW PROCESS

Minimum Threshold Review

8/23: Homeless Services Team conducts a minimal threshold review on new projects to ensure that projects meet minimum requirements as described below. Per guidance from HUD, all renewal projects will be assumed to meet the threshold requirements.

- Project type and population served is eligible for CoC funding
- Project serves CoC service area
- Project meets 25% match requirements
- Project meets HUD project quality threshold (as described on page 34 of the Notice of Funding Availability)

If a project does not meet the threshold requirements the Project Selection Subcommittee will be notified. Depending on the severity of the issue, the Subcommittee may reject the project for funding, or work with the applicant on addressing the issue.

Distribution of Application Scoring Packets

8/26: Homeless Services Team prepares and distributes application packets to the members of the Project Selection Subcommittee.

SCORING

8/26-8/30: Members of the Project Selection Subcommittee independently review and score all renewal projects¹ and new projects² (out of 75 possible points). Separate scoring sheets will be used for renewal and new projects. Renewal projects that have been in operation for less than 1 year, and have not completed an Annual Performance Report (APR), will be scored using the new project rubric. Victim service providers will be evaluated using the same scoring sheets as other projects, but should submit APR data from a database comparable to HMIS.

REALLOCATION, RANKING AND PROJECT SELECTION

8/30: Members of the Project Selection Subcommittee meet to complete the following tasks:

- Interview project applicants to address any outstanding questions
- Assign a cumulative score to each new and renewal project
- Consider reallocation of under-performing projects
- Select new projects
- Assign a rank to each project application

¹ **Renewal Projects:** Projects currently funded by the CoC program with an expiration date in 2020

² **New Projects:** Any new project proposal for:

- *Permanent supportive housing projects dedicated to chronically homeless*
- *Permanent supportive housing projects meeting the definition of DedicatedPLUS*
- *Rapid re-housing projects*
- *Joint Transitional Housing and Rapid Re-Housing projects*
- *Supportive Services Only (SSO) projects for coordinated entry*
- *HMIS project (only HMIS lead can apply)*
- *CoC Bonus projects*
- *Domestic Violence Bonus Projects*

Project Reallocation, Ranking, and Selection Process

Adopted 8/2/2019

Minutes will be recorded at the meeting, provided at the subsequent HPAC meeting with the ranking results, and made available to the public.

Cumulative Scoring of Renewal and New Projects

The Subcommittee's first task will be to develop a cumulative score for each project by aggregating the scores assigned to each project by each individual member of the Subcommittee.

Reallocation of Under-Performing Projects

Next, the Subcommittee will consider whether reallocation³ of under-performing renewal projects is necessary.

- The Subcommittee will recommend reallocation of any projects not meeting a minimum scoring threshold of 45 points (60% of total available points).
- The Subcommittee will recommend development of a Corrective Action Plan for any projects scoring between 45 to 55 points (60-73% of total available points).
 - ✓ Projects recommended for corrective action must develop and share a Corrective Action Plan with HPAC by November 1, 2019. The Homeless Services Team will assist projects with development of the Plan, and will provide technical assistance as needed. Additionally, HPAC will continually monitor the Plan and provide ongoing assistance with improvement efforts. If project has not demonstrated improvement before FY20 CoC process (as demonstrated by improved score), the project may be recommended for reallocation.

Selection of Renewal and New Projects

After considering all renewal projects and determining the need for reallocation of under-performing projects the Project Selection Subcommittee will recommend all remaining renewal projects for funding in the FY19 CoC competition. After renewals have been reviewed and recommended for funding, the Subcommittee will determine the amount of funding available for new projects using the formula provided below.

STEP 1:	\$481,697	<i>Annual Renewal Demand</i>
	\$26,804	<i>CoC Bonus</i>
	+ \$53,609	<i>Domestic Violence Bonus</i>
=	\$562,110	Total Available Funds
STEP 2:	\$562,110	<i>Total Available Funds</i>
	- \$xxx,xxx	<i>Cost of Recommended Renewals</i>
	=	\$xxx,xxx

The Subcommittee will review the new project proposals, giving consideration to the score of each project, the geographic disbursement of projects, and whether the project addresses a critical community need that is currently unmet. The Subcommittee will select projects for funding until the available funding runs out. All remaining new projects will be rejected for funding.⁴

³ **Reallocation:** When funds are shifted from an existing renewal project to create new projects

⁴ Projects **selected for funding** will be recommended to HUD for funding in the FY19 CoC competition. Projects **rejected for funding** will not be recommended to HUD for funding in the FY17 COC competition.

Ranking of New and Renewal Projects

Once the Subcommittee has selected all new and renewal projects that will be recommended for funding, the Subcommittee will assign a rank⁵ and tier⁶ to each project. Projects will be placed in order from highest to lowest based on cumulative score, and assigned a rank in that order.

TIER 1:	\$452,795	<i>100% of first time renewal projects plus 94% of all other renewals</i>
TIER 2:	+ \$109,315	<i>Remaining renewal and Bonus Funding⁷</i>
	<u>\$562,110</u>	<i>Total Available Funding</i>

The Subcommittee retains the right to alter the initial ranking and tier placement for strategic reasons, if initial scoring is likely to result in any critical services gaps, including lack of services in a community or lack of services for a priority population.

PUBLIC MEETING AND HPAC ADOPTION

9/11: The Project Selection Subcommittee will bring its final recommendation regarding project reallocation, selection, rejection, and rank/tier to the full HPAC membership at a public meeting on September 11, 2019. The draft recommendation will be posted on the HPAC website and emailed to the membership a minimum of 48-hours prior to the public meeting. The meeting will be publicly advertised on the HPAC website. All members of the public and local agencies will be invited to provide public comment during the meeting.

Following public comment, the HPAC membership will make a final determination regarding which projects will be recommended to HUD for funding, and will hold a vote of all non-conflicted member organizations.

NOTIFICATION TO APPLICANTS

9/13: The Homeless Services Team will send an email to each project applicant explaining whether their project was accepted or rejected. If rejected, the letter will explain the reason for the rejection. If accepted, the letter will explain the rank and tier assignment. In addition, all applicants may request copies of the scoring materials associated with their project, or a debrief with the Homeless Services Team.

SOLO APPLICATIONS TO HUD

Eligible project applicants that attempted to participate in the CoC planning process in the CA-521 Davis/Woodland/Yolo County Continuum of Care, that believe they were denied the opportunity to participate in a reasonable manner and were rejected or reallocated may appeal the rejection directly to HUD by submitting a solo application to HUD prior to the application deadline of **September 30, 2019 by 8:00PM Eastern Time.**

⁵ **Project Rank:** Once selected for funding, all projects must be placed in order of preference or “ranked”.

⁶ **Project Tier:** Once ranked, projects must be placed in two tiers. Projects in tier 1 will be conditionally selected by HUD for funding. Projects in tier 2 will be selected by HUD in order of CoC score and project score until no more funds are available.

⁷ **Bonus Funding:** \$26,804 is available for CoC Bonus projects, and \$53,609 is available for DV Bonus projects.
