

County of Yolo

State of California

Community Services Department

Division of Integrated Waste Management

Notice To Contractors

Sealed proposals for the project to be constructed at the Yolo County ("County") Central Landfill, entitled:

CONSTRUCTION OF THE IN-VESSEL DIGESTER LIQUID AND FOOD PROCESSING AREA & EQUALIZATION TANK SYSTEM

Shall be submitted by hard copy at the Yolo County Central Landfill, 44090 County Road 28H, Woodland, California 95776 no later than: **SEPTEMBER 25TH, 2019 @ 2PM** at which time they will be publicly opened and read in the Yolo County Central Landfill Conference Room at the above address.

There will be a mandatory pre-bid meeting at **2PM on SEPTEMBER 4TH, 2019** at the Yolo County Central Landfill, located at 44090 County Road 28H, Woodland. Directions to the Yolo County Central Landfill can be found at:

<http://www.yolocounty.org/community-services/planning-public-works/integrated-waste-management-division/central-landfill#Directions>

General work description: The project is located at the Yolo County Central Landfill, bounded by County Road 104 on the west and County Road 28H on the south, approximately three (3) miles northeast of the City of Davis. (See location map on cover sheet of Plans).

**Yolo County Central Landfill
44090 County Road 28H
Woodland, CA 95776**

Normal operating hours are Monday through Saturday 6:30 a.m. to 4:00 p.m., and Sunday 8:00 a.m. to 4:00 p.m. The work to be performed under this contract consists of furnishing all equipment, materials, and tools; performing all required labor; and completing all work necessary for the construction of the following:

CONSTRUCTION OF IN-VESSEL DIGESTER (LIQUID AND FOOD PROCESSING AREA): which includes clearing and stripping, stock piling materials, excavation, subgrade preparations, placement of geotextile, placement of aggregate materials, placement of asphalt pavement, placement of concrete pavement, installation of Cast-In-Place Trench Drains, installation of a Cast-In-Place Concrete Pushwall, removal of an existing concrete storm drainage sump, and installation of a new HDPE manhole sump.

BID SCHEDULE A

Item No.	Description	Section Reference ⁽¹⁾	Estimate Quantity	Unit
1	Mobilization/Demobilization	12	1	LS
2	Clearing and Stripping	13	1	AC
3	Excavation, Stockpiling and Grading	14, 15, 16	3,600	CY
4	Placement and Compaction of Engineered Fill	17	0	CY
5	Supply and Install Geotextile	19	5,010	SY
6	Placement and Compaction of Aggregate Base	18	2,550	CY
7	Asphalt Pavement	20	725	TON
8	Concrete Pavement	21, 22	570	CY
9	Cast-In-Place Trench Drain	21, 22	167	LF
10	Cast-In-Place Concrete Pushwall	21, 22	144	LF
11	Remove Existing Sump and Install New HDPE Manhole Sump	23	1	LS

(1) The Section Reference corresponds with the Section number within the Technical Provisions where the measurement and payment is described.

CONSTRUCTION OF THE IN-VESSEL DIGESTER (EQUALIATION TANK SYSTEM) which includes installation of a steel corrugated equalization tank, installation of the *Dual Purpose Liquid Agitation and Routing System, pH Adjustment System*, installation of a submersible grinder pump into an existing sump, HDPE pipes, pipe bracing, flowmeters, fittings, valves, other valve assemblies, instrumentation, and all miscellaneous related work.

BID SCHEDULE B

Item No.	Description	Section Reference ⁽¹⁾	Estimate Quantity	Unit
12	Mobilization/Demobilization	24	1	LS
13	Steel Corrugated Tank	25	1	LS
14	Dual Purpose Liquid Agitation and Routing System	25	1	LS
15	pH Adjustment System	25	1	LS
16	Submersible Grinder Pump	5	1	EA
17	Field Instrumentation and Control Equipment	30, 31, 33, 34	1	LS
18	Testing and Quality Control	32	1	LS

(1) The Section Reference corresponds with the Section number within the Technical Provisions where the measurement and payment is described.

The foregoing quantities are approximate only, being given as a basis for the comparison of bids, and the County does not expressly or by implication agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of work, or to omit portions of work, as may be deemed necessary or advisable by the ENGINEER.

Bidder shall possess a valid A license and DIR number in order to submit a bid. The bidder must be properly licensed from the time it submits its bid through contract acceptance in accordance with Business and Professions Code section 7000 et seq.

Proposals are required for the entire work described herein. The Bidder shall propose on both Bid Schedules A and B. The County will award the work in a manner that benefits the County in the most economical manner. If the County decides to award only one of the Bid Schedules, the County will award to the lowest responsible bidder for that Bid Schedule. If the County decides to award the project with both Bid Schedules, the County will award to the lowest responsible bidder based on the combined cost of both Bid Schedules. The County reserves the right to reject any or all proposals or to waive any irregularities or informalities in any proposals or in the proposal process.

This contract is subject to state contract nondiscrimination and compliance requirements pursuant to Government Code section 12990.

Project plans, specifications, special provisions, proposal forms, and addenda for this project can be downloaded at no cost at www.bidsync.com. It is the bidder's responsibility to register at www.bidsync.com to ensure notification of all addenda. It is the bidder's responsibility to arrange for printing services to obtain printed copies of the bid documents.

The contract documents may be examined at the office of the Yolo County Central Landfill, and at the following locations:

Construction Bidboard, Inc.
McGraw-Hill Construction
Sacramento Builders' Exchange, Sacramento
El Dorado Builders' Exchange, Cameron Park

Questions must be submitted in writing through www.bidsync.com by September 13th, 2019 by 5pm. Answers will be posted on www.bidsync.com by September 17th. Every answer will constitute an addendum to the Specifications.

Inquiries or questions based on alleged patent ambiguity of the plans, specifications or estimate must be communicated as a bidder inquiry prior to bid opening. Any such inquiries or questions, submitted after bid opening, will not be treated as a bid protest.

The successful bidder shall furnish a payment bond and a performance bond, each in the full amount of the contract price. These bonds shall be executed by a surety specified in California Code of Civil Procedure Section 995.310.

The County affirms that in any contract entered into pursuant to this advertisement, all bidders will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

Pursuant to Section 1773 of the Labor Code, the general prevailing wage rates in the county in which the work is to be done have been determined by the Director of the California Department of Industrial Relations. These wage rates are set forth in the General Prevailing Wage Rates for this project, available for review at Yolo County Central Landfill, 44090 County Road 28H, Woodland, California and available from the California Department of Industrial Relations' internet web site at <http://www.dir.ca.gov/DLSR/PWD>. Future effective general prevailing wage rates which have been predetermined and are on file with the California Department of Industrial Relations are referenced but not printed in the General Prevailing Wage Rate Determinations. The successful bidder shall post a copy of the prevailing wage rates at each job site. It shall be mandatory upon the bidder to whom the contract is awarded, and upon any subcontractors, to comply with all Labor Code provisions, which include but are not limited to the payment of not less than the said specified prevailing wage rates to all workers employed by them in the execution of the contract, employment of apprentices, hours of labor and debarment of contractors and subcontractors.

Pursuant to Labor Code section 1725.5 and 1771.3, contractors and subcontractors who intend to bid on, be listed in a bid proposal, or enter into a contract to perform public work must be registered with the Department of Industrial Relations. No proposal will be accepted nor any contract entered into without proof of the contractor's and subcontractors' current registration with the Department of Industrial Relations to perform public work. If awarded a contract, the bidder and its subcontractors, of any tier, shall maintain active registration with the Department of Industrial Relations for the duration of the project. Notwithstanding the foregoing, the contractor registration requirements mandated by Labor Code Sections 1725.5 and 1771.1 shall not apply to work performed on a public works project that is exempt pursuant to the small project exemption specified in Labor Code Sections 1725.5 and 1771.1. Information is available at: <http://www.dir.ca.gov/Public-Works/PublicWorks.html>. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. In bidding on this project, it shall be the bidder's sole responsibility to evaluate and include the cost of complying with all labor compliance requirements under this contract and applicable law in its proposal.

No proposal will be received unless it is made on a proposal form furnished by Yolo County Department of Community Services, either by a hard copy or downloaded from the aforementioned bid exchanges or www.bidsync.com. Copies or facsimiles of the bidder's completed and executed proposal forms submitted as a proposal will be rejected. Each proposal must be accompanied by a certified check, cashier's check, or bidder's bond made payable to Yolo County for an amount equal to at least ten percent (10%) of the amount of proposal, such guaranty to be forfeited should the bidder to whom the contract is awarded fail to enter into the contract. If a bond is used, it must be signed by the bidder and by a signatory of an authorized surety company all as provided by law.

Pursuant to Public Contract Code section 22300, the successful bidder may substitute certain securities for funds withheld by the County to ensure its performance under the contract.

The engineers estimate for this project is \$1,500,000.

One-hundred and twenty (120) working days are allowed for completion of the work.

Dated this 19 day of August 2019.

Ramin Yazdani,

DIRECTOR,

DIVISION OF INTEGRATED WASTE MANAGEMENT
