Yolo County Assessor/Clerk-Recorder/Elections Departments Closed to the Public
Offering Limited Services to Mitigate the Spread of COVID-19

Woodland, CA – In compliance with the shelter in place directive from the Yolo County Public Health Officer issued on March 18, 2020, all non-essential services have been suspended until officially reinstated. The Yolo County Administration Building located at 625 Court Street in Woodland is closed to the public until further notice.

As a precautionary measure to help protect staff and the community from the spread of COVID-19 (Coronavirus), the Assessor and Clerk-Recorder Offices will not be able to provide services for walk-in customers. The Elections Office is still performing the canvass process for the 2020 Primary Presidential Election. Members of the public that would like to observe the canvass process are still able to do so and will be admitted as long as social distancing protocols are adhered to.

At this time, it is recommended that if you have any non-essential business with the Assessor, Clerk-Recorder or Election’s Offices that it be postponed until services are officially restored. Yolo County ACE Offices remain committed to serving the public as effectively as possible during this time. Our services will continue as outlined below:

- **Clerk-Recorder:**

  - **Birth, Death, and Marriage Records Requests** – Requests for vital records (birth, death, and marriage records) submitted online through our self-service portal (available online at [https://www.yolocounty.org/general-government/general-government-departments/clerk-recorder](https://www.yolocounty.org/general-government/general-government-departments/clerk-recorder)) as well as requests through the mail will be processed as normal. Completed requests will be returned through the US mail.
